

Name: _____

Caring Coders

Animate an Animal Challenge #1

Create your animal from Scratch and animate it with sound and motion.

Make a plan:

<p>Sketch your animal</p> 	<p>How does it move? Draw here:</p>
<p>What sound does it make?</p> <p>Do you need to record your own sound?</p> 	<p>Where does it live?</p>

In Scratch,

- Create a new project
- Title project: "Caring coders: Animate an Animal Challenge #1"
- Design your animal
- Animate your animal
- Add or record sound
